Hi Amy, wanted to provide a quick update on the following materials you requested by May 7th for the DOI briefing.

1. SSA Exec Summary
2. IM
3. Copy of ppt used at RTM with opportunity to tweak it

We are putting the draft IM and SSA Exec Summary, as an attachment, in DTS today for you on Monday. We will provide the 10 slide ppt on Tues when Clay returns from leave.
Sarah Quamme in HQ indicated that we will need to do a pre-brief for her and Bridget Fahey and that they will deliver the short overview briefing for DOI. This is the new process for briefing these recommendations up and requires a 10 slide ppt. We plan to use the one from the in person briefing that Ted and Clay conducted for HQ/DOI with tweaks to reflect that we now have a recommendation.

Let me know if you have any questions.

thanks
